**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my internet connection. Ive been online since 1992, before many were. However, I value the freedom without the slower speeds and throttled usage that the big corporations desire. It is your role to represent us, the citizens, against the corporations.

The bridge to broadband is crucial for our country.
